1. **Call to Order -** Louise Blasius, Acting President of the Sanilac ISD Board of Education

2. **Review of the Process to be Followed During the 2017 Biennial Election**
   - Biennial meeting must comply with Open Meetings Act.
   - Local constituent school districts must send a "representative" to the meeting.
   - The representative does <u>not</u> have to be a board member.
   - The president or secretary of the ISD Board shall serve as chairperson. The County Clerk serving as the ISD's filing official is responsible for determining the sufficiency of any petitions filed by ISD candidates and the eligibility of the candidates to seek a position on the ISD Board.
   - The statues which govern the voting process stipulate that each constituent district representative entitled to vote at the meeting is required to vote for the candidate supported for each position by the constituent board he or she represents "at least on the first ballot taken by the electoral body."
